We have gone **almost 5 months** with NO additional cases of COVID-19 in residents of Lakeview Village. On the staffing front, we have not had any new positive cases for **almost 3 months**.

Lakeview continues to be one of the few senior living providers in the nation receiving the COVID-19 vaccine directly. We have access to all 3 approved vaccines (Pfizer, Moderna and Johnson & Johnson). Please contact our COVID-19 Vaccination Hotline at 913-951-3879 for more information and to get signed up.

Consolidated Communications (CCI) has upgraded all of the cable feeds on the Lakeview campus on June 21st. You may have to “rescan” for the new digital channels on your tvs and/or cable boxes on the 22nd. If you have any problems or issues, CCI will be available. Please contact Community Life or place a work order.

Lakeview’s Independent Living reopening plan is shown below. For the most up to date hours and openings, please check the Community App or tune into Channel 2:

- Lakeview has installed computerized screening kiosks at our main entries. At this time, we are asking our residents to sign-in as “Guest” so that you will receive a sticker. This sticker is needed if you are going to access any of the public spaces, events, or licensed areas on campus. **If anyone was to enter a licensed area unscreened (without a sticker) it could mean a \$10,000 fine. So, not only does screening help protect our physical health it also helps protect our financial health.** If you have a Smart Phone, you can go to the Android or Apple App Store and download the AccuShield Mobile App. This app allows both employees and guests (which includes you as a resident) to prescreen and a bar code will display on your phone that can be used on the kiosks to speed up entry at any of the high-rise entries. **For assistance obtaining a sticker, please utilize the Reception Desks at Northpointe & Southridge (8:00AM-noon & 1-**

4:30PM M-F) or Eastside Terrace (8AM-8PM M-F & 8AM-5PM Sat & Sun). The Heritage Main Entry is open 7AM-9PM 7-days a week and the Security Screener can assist you.
