

**April 01, 2022 WEEKLY
RECAP Regarding COVID-19
FINAL LETTER**

Dear Residents and Families,

As a five-star retirement community, our top priority has always been the health and safety of our residents, families, visitors and staff. Lakeview is following guidance from multiple governmental agencies including the United States Centers for Disease Control (CDC), the United States Centers for Medicare and Medicaid Services (CMS), the United States Department of Labor Occupational Safety and Health Administration (OSHA), the Kansas Department of Health and Environment (KDHE), the Kansas Department of Aging and Disability Services (KDADS) and the Johnson County Department of Health and Environment (JCDHE).

Per CMS regulatory guidance, our activity since last Friday is reflected in the following tables:

Level of Care	Vaccination Percentage	COVID-19 (weekly change)					Status (weekly change)				
		Residents	Number Tested	Negative Results	Positive Results	Pending Results	Passed Away	Hospitalized	Recovering ET Rehab	Recovering at Home	Recovered

	Vaccination Percentage	Number of Employees	Number Tested	Negative Results	Positive Results	Pending Results	Passed Away	Off Work	Recovered
Employees	93%	458	35575 (↑15)	35307 (↑15)	268	0	1	0	267

The Johnson County COVID-19 positivity rate is at 3.5%. For the past month, there were no new COVID-19 cases in Lakeview residents or staff. We continue to offer testing to any residents with exposure or symptoms. We continue to recommend you follow the COVID-19 mitigation strategies of social distancing, wearing a mask when indoors and washing your hands. Our staff vaccination percentage stayed steady at 93%.

Lakeview is one of the few communities in the nation to be a CDC licensed vaccine clinic. We currently have Pfizer & Moderna vaccine in stock. **Now that the second booster has been approved (4th shot of Pfizer or Moderna) for everyone over 50 years old, Lakeview will be offering more clinic times so our residents can get their booster shot here. Please watch Channel 2 or the Community App for more information including additional booster shot clinic times. If you are unable to come to a clinic, we can bring the vaccine to you just give our COVID vaccination hotline a call at 913-951-3879.**

By CMS definition, the whole campus of Lakeview Village is considered a healthcare provider. This means Lakeview employees and contractors must be vaccinated against COVID-19 or have an approved medical or religious exemption to the vaccine by March 15th. Lakeview is in full compliance at this time.

Lakeview has eased its masking requirements for our staff while outside of the licensed areas. Staff do not have to wear a mask while outside of the licensed areas. As a resident of Lakeview, you continue to have the right to ask any staff (housekeeping, maintenance, dining servers, etc) to wear a mask while assisting you. Please just speak up and let the staff know.

Lakeview's Independent Living reopening plan is as follows. **For the most up to date hours and openings, please check the Community App or tune into Channel 2:**

- Lakeview has installed computerized screening kiosks at our main entries. At this time, we are asking our residents to sign-in as "Guest" so that you will receive a sticker. This sticker is needed if you are going to access any of the public spaces, events, or licensed areas on campus.
